Deposit and/or Prepayment for New Accounts:

Residential Accounts

	Inside City	Outside City
Water Deposit	\$40	\$80
Sewer Deposit	\$40	\$80

In cases where an existing residential water and/or sewer customer has been a water and/or sewer customer of the City for a period of no less than five consecutive years and has made no late payments in the previous twelve months moves to another location on the City’s water and sewer system, the following procedure shall apply:

Any increase in the deposit required to be paid to bring the customer’s deposit up to the current level listed above may be paid in three equal installments, to be added to the customer’s first three water and/or sewer bills in the new location. If the customer fails to make any of the required payments, their service may be cut off pursuant to City policy.

Commercial, Industrial and Master Meter Accounts:

The water and/or sewer deposit for commercial, industrial and master meter accounts shall be an amount equal to the average monthly charge for water and/or sewer service, but not less than the residential deposits. The initial deposits for commercial, industrial and master meter accounts shall be as follows:
