The regular monthly meeting of the Board of Aldermen was held in the Mayor's office on the above date, with Mayor N. H. Tate, J. F. Wilkinson, H. D. Bishop, J. C. Conley, R. B. Britt and M. S. Laughridge, Aldermen, present.

Mr. & Mrs. W. H. Hawkins came before the board and again requested that a certain piece of property on Morgan street be released by the town on payment of approximately \$200.00 by Mrs. Hawkins in order to enable her to secure a loan from the Building and Loan and in return take a second mortgage on that property and first mortgage on six lots owned by Mrs. Hawkins located Nos. 18 & 19 West of Marion to secure the loan for the remainder of taxes and paving assessments due on the Morgan street property. After a discussion of the matter it was decided that it would be unwise for the Board to comply with their request.

Mrs. John Berger appeared before the Board and stated that she was financially unable to pay her water bill, and she was given permission to use City Water without charge for the present.

Mr. N. B. Anderson stated that he was cursed and talked to in an insulting manner by Chief R. S. Clay on the street of Marion on June 2nd, without provocation. Mrs. Anderson was assured that Mr. Clay would be reprimanded for his conduct.

A motion was offered, seconded and carried to prohibit any person playing cards along the edges of streets or sidewalks in the Town of Marion.

Mr. Chambers and Mr. Cross came before the Board to discuss ways and means for settling differences in regard to the location of the Community Building which is being erected on the Town Commons in the North end of Town, and after a discussion of the matter, the following resolution was adopted.

Resolution
State of North Carolina
McDowell County

Whereas, the Town of Marion owns a plot of ground known as the Town Commons, on which it is proposed to erect a community building under the sponsorship of certain Marion civic organizations, the exact location of which building on the Town Commons is in controversy;

And Whereas, it has been represented to the undersigned Mayor and Board of Aldermen of the Town of Marion by Mr. Eugene Cross, who, with the support of his friends, is concerned in the re-location of said community building, that the local Committee in charge of the erection of said community building has failed to give Mr. Cross and the element of citizenship in favor of a re-location of said building a fair and impartial hearing, the Chairman of the Committee having denied Mr. Cross request to be present at the last meeting of the Committee called for the purpose of taking final action on this matter, and at no time having invited any of the Marion citizenry in sympathy with his views to be present at any meeting;

And Whereas, Mr. Eugene Cross represents to the undersigned that he is willing to save the CWA harmless in the re-location of said community building, according to proposition heretofore submitted;

And Whereas, Mr. Cross has expressed a willingness to have the matter of the location of said community building arbitrated, and agrees to pay the costs thereof, and further agrees to accept as final the decision reached as to the location of the building;

Now, Therefore, Be It Resolved, by the Board of Aldermen of the Town of Marion, in regular session held at eight o'clock P.M. on June 5th, 1934, in the Town Hall, the Mayor and all members of the Board being present, in the interest of fairness and justice to all concerned, that this Board does hereby recommend to Mrs. Thomas O. Berry, Director in charge of the State CWA and F.B.A., that the controversy that has arisen in connection with the location of the Community Building for the Town of Marion be arbitrated by three (3) disinterested arbitrators, who live outside of McDowell County, to be appointed by her, to the end that the erection of this building may be speedily concluded and harmony and peace prevail thereafter.

At a call meeting of the Board of Aldermen held in the Mayor's office on the above date at 9:30 AM. there were present, H. H. Tate Mayor, H. D. Bishop, M. S. Langhridge, J. C. Carley, J. L. Wilkerson and R. B. Butt Aldermen, with a committee of Mrs. Cutler, Mrs. Snipes, Mrs. Liles, Mrs. Potat, Mr. Jones, and Mrs. Jackson representing the Junior Woman's Club, and J. H. Beaman, Dr. Miller, and Rev. J. L. Lockaby representing the American Legion.

The meeting was called by the Mayor at the request of the Woman's Club and American Legion to protest action taken by the Board of Aldermen on June 5th, 1934, in passing resolution asking Mrs. O'Berry to appoint a committee of three outside of McDowell County to arbitrate the controversy regarding the location of Community building.

The Board stated that their action was taken after Mrs. Cross represented to them that he had been refused a fair and impartial hearing in the matter, as requested by Mrs. O'Berry in a recent letter to Mrs. Kirkpatrick, and that he had been refused an opportunity of attending the last meeting of the Building Committee, which he understood was to be held for the purpose of taking final action on the building plans.

Mrs. Cutler stated that the accusations made by Mr. Cross were untrue, and that he had been given a fair hearing, and that the meeting to which Mr. Cross claims he was refused admittance was held for the purpose of trying to secure some skilled workers outside of the CWA halls.

Several other members of the Committee stated that Mrs. Cross' charges were not true and requested the Board to rescind the resolution passed on June 5th.

A motion to ask Mrs. O'Berry to withhold action on the resolution until further notice was put before the Board, which was duly seconded and carried, and the following telegram was sent to Mrs. O'Berry.

Mrs. Thomas O'Berry

A call meeting of the Board of Aldermen was held in the Mayor's office at ten o'clock AM. on the above date with H. H. Tate Mayor, M. S. Langhridge, J. L. Wilkerson, J. C. Carley, R. B. Butt and H. D. Bishop, Aldermen present.

The meeting was called at the request of Mr. Eugene Cross for the purpose of discussing the controversy between the Building Committee of the Community Building and Mr. Cross regarding the location of the proposed building.

Mr. Cross requested that the Board rescind the telegram sent to Mrs. O'Berry on June 7th and allow her to appoint an arbitration committee as requested in resolution of June 5th, to settle the matter. No action was taken in the matter as it was deemed advisable to consult the Town Attorney regarding the matter before taking further action, and the meeting was adjourned until 7:30 PM.

7:30 PM Continuing Above Meeting

Upon being advised that an arbitration was an entirely voluntary proceeding, which must be requested or agreed to by

All parties concerned, and as the Building Committee is an interested party and has not agreed to an arbitration, it was decided best to withdraw resolution of June 5th, and a motion was put before the Board to withdraw this resolution, and also telegram of June 7th to Mrs O'Berry, which after being duly seconded, was unanimously carried. The Clerk was instructed to write Mrs O'Berry to this effect. The following letter was forwarded to Mrs O'Berry on June 28:

Mrs Thomas O'Berry
Raleigh N.C.
Dear Mrs O'Berry:

Referring further to our telegram of June 7th, and letter to Mrs Schwartz of June 8th.

At a full meeting of the Board of Aldermen held on June 27th their resolution of June 5th requesting you to appoint an arbitration committee to settle the controversy between the building committee and Mrs Eugene Cross, and their telegram of June 7th were both rescinded.

The officers of the town are heartily in favor of this community building being completed, but do not feel that they should undertake directly or indirectly to pass upon the question of the location of the building; the board feels that the matter of location should be settled among the various interested parties, and hopes that same will be settled to the satisfaction of all concerned.

Very truly yours
Town of Marion

ATTEST:

SECRETARY TREASURER

Mr J L Nichols appeared before the Board and asked for refund of half of the taxes paid by him for Nichols Funeral Home. His claim was based on the fact that the taxes were due by Gedy Nichols and were paid by J L Nichols because he held a mortgage on the funeral home. The town holds a mortgage on a Buick sedan belonging to Gedy Nichols which was taken to secure J L Nichols on account of the payment of the tax by him. This car was struck by a train before the mortgage was due and is now of very little value. The Board decided they could not refund any part of the money paid, but would sell the automobile and turn the proceeds over to Mr J L Nichols, or assign the mortgage to him.

On motion duly seconded and carried the Privilege Tax Ordinance was amended as per copy of amendments contained in Privilege Tax Ordinance Book.

A motion was made to purchase and erect a sanitary drinking fountain on corner of Main & West Anderson Street to replace fountain which now stands on this corner. After being duly seconded the motion was carried, and Mr Bishop was instructed to purchase a suitable fountain and Mr Tate to have same installed.

On motion duly made, seconded and carried, the Treasurer was instructed to pay J A Nichols \$10.00 for his time and use of car in transporting prisoner from Johnson City to Marion.

There being no further business the meeting adjourned. J L Nichols Mayor

Dear Sir:

As requested I am enclosing to you a detailed statement of the paving assessment against you.

With reference to your claim for a refund for 1932 taxes in the sum of \$53.93, I have no authority, of course to make any settlement of that matter and you will have to take it up with the board. I have repeatedly suggested to you that you pay what you admit is due and I am sure that the board will give every consideration to your claim. When you brought this matter up I spent some little time in the court house in an effort to get the facts about the refund the county paid you but could find no record of it and suggested that you get up this data yourself, since I do not doubt your statement in the least, but at the same time the board of aldermen can not allow claims unless there is some evidence.

Trusting you will please give this your attention, as I will soon be forced to take action to preserve the lien.

Mr. A. C. Hewitt
Hendersonville, N. C.

Dear Sir:

As requested I am enclosing to you a detailed statement of the paving assessment against you.

With reference to your claim for a refund for 1932 taxes in the sum of \$53.93, I have no authority, of course to make any settlement of that matter and you will have to take it up with the board. I have repeatedly suggested to you that you pay what you admit is due and I am sure that the board will give every consideration to your claim. When you brought this matter up I spent some little time in the court house in an effort to get the facts about the refund the county paid you but could find no record of it and suggested that you get up this data yourself, since I do not doubt your statement in the least, but at the same time the board of aldermen can not allow claims unless there is some evidence.

Trusting you will please give this your attention, as I will soon be forced to take action to preserve the lien.

Very truly yours
