STATE OF NORTH CAROLINA
COUNTY OF McDOWELL

RESOLUTION

WHEREAS, the Town of Marion owns a plat of ground, known as The Town Commons, on which it is proposed to erect a community building under the sponsorship of certain Marion civic organizations, the exact location of which building on The Town Commons is in controversy;

AND WHEREAS, it has been represented to the undersigned Mayor and Board of Aldermen of the Town of Marion by Mr. Eugene Cross, who, with the support of his friends, is concerned in the re-location of said community building, that the local Committee in charge of the erection of said community building has failed to give Mr. Cross and the element of citizenship in favor of a re-location of said building a fair and impartial hearing, the Chairman of the Committee having denied Mr. Cross' request to be present at the last meeting of the Committee called for the purpose of taking final action on this matter, and at no time having invited any of the Marion citizenry in sympathy with his views to be present at any meeting;

AND WHEREAS, Mr. Eugene Cross represents to the undersigned that he is willing to save the CWA harmless in the replacement in the re-location of said community building, according to proposition heretofore submitted;

AND WHEREAS, Mr. Eugene Cross has expressed a willingness to have the matter of the location of said community building arbitrated, and agrees to pay the costs thereof, and further agrees to accept as final the decision reached as to the location of the building:

NOW, THEREFORE, Be It Resolved, by the Board of Aldermen of the Town of Marion, in regular meeting held at eight o'clock P. M., on June 5, 1934, in the Town Hall, the Mayor and all members of the Board being present, in the interest of fairness and justice to all concerned, that this Board does hereby recommend to Mrs. Thomas O'Berry, Director in charge of the State CWA and FERA, that the controversy that has arisen in connection with the location of the community building for the Town of Marion be arbitrated by three (3) disinterested arbitrators, who live outside of McDowell County, to be appointed by her, to the end that the erection of this building may be speedily concluded and harmony and peace prevail thereafter.

Rules and Regulations of the Town of Marion, North Carolina for Buildings Housing Dry Cleaning Plants.

Be It ordained By the Board of Aldermen of the Town of Marion, North Carolina.

Art. 1. Definitions

Sec. 1. For the purpose of these regulations Dry Cleaning shall be considered as the process of removing dirt, grease, paints and other stains from wearing apparel, textiles, furs, rugs, etc. by

(a) Immersion and agitation in a flammable liquid solvent in open vessels; (A flammable liquid is any solvent with a Petroleum base derivative).

(b) Immersion and agitation in a flammable liquid solvent in closed machines.

(c) "Spotting" or local application of flammable liquid solvents and other cleaning preparations to spots of dirt, grease, paints and stains not removed by the immersion and agitation process.

(d) "Brushing" or scouring with flammable solutions.

Sec. 2. Dry Cleaning shall be considered as the process of dyeing clothes or other fabrics or textiles in a solution of dye colors and flammable liquids.

Art. 2. General Requirements

Sec. 1. Dry Cleaning by immersion and agitation in open vessels shall be prohibited.

Sec. 2. Dry Cleaning by immersion and agitation in closed machines shall be carried on with approved machinery and equipment installed and operated in accordance with the following regulations:

(a) Before any dry cleaning plant is established or before an existing plant is remodeled, complete drawings shall be submitted to the North Carolina State Dry Cleaners Commission for approval, which approval shall be obtained before the Town of Marion, N.C., shall issue license to any such dry cleaning plant.

(b) Such drawings shall be drawn to an indicated scale; give relative location of dry cleaning building, boiler room, machinery building or department, storage tanks for solvents, pumps, washers, drying tumblers, extractors, filters, traps, stills, condensers, piping, etc., and show sectional elevation of the buildings (including lowest floors or pits, tanks, their fittings, devices, etc.).

Sec. 3. Specifications based on the following rules should accompany the drawings:

(a) All plants shall be properly ventilated by windows, doors, roof vents, or mechanical systems of ventilation that will insure complete change of air every five (5) minutes.

(b) All live steam pipes connecting boilers to presses and other equipment shall be covered with asbestos or other approved insulating material.

Art. 3. Cleaning Room Construction and Set-Up

Sec. 1. All doors shall be of the approved fire proof type, self-closing, equipped with fusible links. All doorways shall have concrete bulk heads extending at least four (4) inches above floor level. In the cleaning room all outlets shall be equipped with the above specified fire proof doors.

Dry Cleaning
Ordinance

Sec. 2. Walls shall be brick, not less than twelve (12) inches thick or equivalent construction. Wall finish shall be either plain or plastered without parring. Division Walls between dry cleaning or dry dyeing and other buildings shall be blank. Two (2) exits shall be provided remote from each other and leading directly to the outside of the cleaning room.

Sec. 3. Live steam pipes with control valves on the outside of the cleaning room shall be arranged to spray live steam on all washers, extractors, drying rooms and tumblers.

Art. 4. Cleaning Room Equipment, Etc.

Sec. 1. Lighting shall be electric incandescent. All wiring shall be in rigid conduit installed in accordance with the rules of the National Electric Code of class I hazardous locations. Motors, lighting fixtures, portable lights, switches and other devices shall be of the explosion proof type.

Sec. 2. The regular monthly meeting of the Board of Aldermen of the Town of Marion was held in the Moyers office on the above date with the following present: H H Tate, Mayor. H D Bishop, J T Wilkinson, J G Neal, A S Bradford and R B Crisp aldermen.

Mr W G Best appeared before the Board and asked that Lincoln Avenue be improved, stating that the property owners on that street were willing to give enough land to make the street 30 ft wide. He was told to have the property owners on that street sign an agreement to that effect, and the Board would consider the matter.

Upon motion duly seconded, it was voted to buy 1430 ft of 6" class 150 transite pipe to extend water line on Garden street.

A petition from the Citizens of Spring street requesting that the east end of Spring street be resurfaced

was read, and the Clerk was instructed to notify them that no appropriation is available for resurfacing street at this time.

Upon motion duly seconded, it was voted to have a limit of one hour for parking on both sides of Main street between State street and Court street, every day except Sunday, between 8 AM and 7 PM.

Upon motion duly seconded, it was voted to give \$100.00 during the present fiscal year in the salary of the milk inspector.

Upon motion duly seconded, permission was granted policemen Pope and Penland to fix up room in the City Hall and room there.

Upon motion duly seconded, it was voted to have the City Attorney draw up an ordinance prohibiting parking on or across the sidewalks in Marion.

Upon motion duly seconded it was ordered that the north side of Henderson street from Main to Logan and both sides of Logan street from Henderson to Court be marked off for parking parallel with curbs.

Upon motion duly seconded Mr Bishop and Keiter were authorized to order one 2 color Traffic control signal from W S Darby & Co and have same installed at the intersection of Court and Logan streets.

Upon motion by R B Crisp, seconded by H D Bishop, W Wheel Jr was elected to fill the vacancy on School Board created by the death of Mr E J House.

Upon motion duly seconded Mr Tate was voted a leave of absence to go to Hot Springs and expenses to the amount of \$5.00 to be paid by town.

WHEREAS, death has removed our beloved and esteemed Mayor, Hull Tate, who has so faithfully served the people for the past seventeen years as Mayor and as Superintendent of the city water system since 1905;

AND WHEREAS, the members of this Board, realizing the great loss the town has sustained in his death, and well knowing from intimate association with him his unselfish and untiring devotion to the welfare of the town and its citizens, desire to give some expression of recognition and appreciation of the services so rendered by him;

NOW, THEREFORE, BE IT RESOLVED by The Board of Aldermen of the Town of Marion:

(1) That in the passing of Mayor Tate the town has lost a citizen, progressive, useful and upright, and the people have lost a faithful public servant under whose wise leadership and efficient management the town has progressed and developed; a Mayor who was not too proud to put his hands to honest toil for the town he loved, nor yet too humble to shrink from any civic task or undertaking, however great; a leader with a vision to the future, grounded on experience of the past, whose yesterday's dreams stand realized today in our fine system of streets, water works and new city hall - all monuments to his labors for his people.

(2) That the members of this Board hereby give expression to their appreciation of the privilege of having been associated with him, and of their determination that his wise and unselfish leadership shall be an incentive and inspiration to carry on and measure up to the high standard set by him for public service.

(3) That these resolutions be spread upon the minutes of the Board and a copy sent to his family and to the press.
